HELMET POLICY FOR ALL SKATERS GOALIE EQUIPMENT POLICY

MGHL HELMET POLICY

- All coaches, assistant coaches and individuals on MGHL supplied ice (including outside instructors) must wear an approved hockey helmet. Failure to follow this policy will result in disciplinary action taken. This action will include game suspension(s) for the head coach.

MGHL GOALIE POLICY

- All rep teams in the MGHL shall have 2 goalies named on the team roster. Both goalies are expected to dress for all games and practices. The coach and assistants shall make a selection for goalies from the goalies dressed and present at tryouts.
- BB and B rep teams are considered developmental teams and as such shall also select goalies from House League in the case when there are fewer than 2 rep goalies available.
- All situations, where the requirements appear unachievable, will be brought to the attention of the Rep Director immediately so that a resolution can be determined.

MGHL EQUIPMENT RULE

- All goalies on Pee wee, Bantam, Midget and Intermediate rep teams must provide their own equipment. Any exceptions to this rule must be reviewed by the Rep Director. In the case where equipment is provided, a rental fee will be assessed.
