Sponsor-A-Hurricane Initiative

The goal of the Sponsor-A-Hurricane Initiative is to raise funds to support an individual player in need. This initiative provides an opportunity for community members to directly sponsor a Hurricanes player and could allow for deeper connection and engagement with our alumni and wider community members.

Funds will be used to contribute to a player's registration/team fee with the intent of reducing financial barriers and ensuring all players who want to play hockey can play in the MGHL. Without support from the community, an initiative like this would not be possible.

Complete [THIS](#) form to sponsor an MGHL player now. You may specify the level of hockey you wish to sponsor (House League or REP).

Sponsors will receive:

- Recognition on our Hurricanes Assist Fund Legacy Webpage (unless they've selected to remain anonymous) as well as mention in our regular team communications
- A small token of appreciation
- An invitation to a celebratory event
