Changes to legislation: *Not-for-Profit Corporations Act*, 2010, S.O. 2010, c. 15 (“ONCA”)

- The MGHL’s existing approach to corporate governance was already generally compliant with the new changes demanded by the revised ONCA
- Mostly new labels and terminology was required - what MGHL called a Constitution is now Bylaws, and what MGHL called Bylaws are various items of policy.

The key changes:

- Update the definition of Members
- Board structure and annual elections remain - some unused positions eliminated
- Requirements for financial review (Review Engagement / Audit)

Status:

- The updated Bylaws have been approved by the Board, must be voted on and approved by the Members at this Annual Meeting
