

PEEL REGION, HELP WELCOME THE WORLD!

The 2023 IIHF Women's World Championship is coming to Brampton, April 5-16, and we want the world to know how incredibly diverse and dynamic the Peel Region is! We have the following opportunities for individuals and businesses to become involved with this massive event, and showcase the many multicultural communities of the GTA.

Fan Experience:

- **DJ's** – we are looking for DJ's who can spin eclectic music that can help pump up the crowds both outside and inside the CAA Centre
- **Player of the Game On-Ice Presentations** – we are looking for dignitaries who represent a cultural association or community group in Peel, and want to help present the Player of the Game Sticks to the winning players of the game
- **Tim Hortons Community Rink** – We have limited ice time/slots available for community groups who would like to learn how to skate, play ball hockey, or take in a hockey education session, but want to invite groups who would not normally have access to hockey to experience the game for themselves! Do you know of one?

Food & Beverage:

- **Catering Opportunities** – in exchange for a hot meal for 150 volunteers at the CAA Centre, restaurants will receive the following on the game day being catered:
 - 10 single Non-Canada game tickets (donated in restaurant's name if not needed)
